Chicago Live Stock.

Chicago, May 27.

There was great excitement at the stock yards to-day among live stock shippers, caused by Commissioner Cole man's quarantine proclamation. It was first thought the order affected the yards and cattle in transit, which would mean the end of the cattle business here. It was learned later, however, that the stock yards were in no way affected. Practically the order does not in the least alter the condition of affairs that existed before it was issued. All the states had quarantined against Cook County, and the State of Illinois had also quarantined it, so that the order is simply a recognition by the Commissioner of what is already accomplished by several States. It will not interfere with the Chicago market or shipments of live stock east. Cattle traffic from the west will move along as interrupted.

Corn—Fair demand; steady; spot, May and June, 4s. 1d.; July, 4s. 1 1/2d.

A leading weekly grain circular says: There is great firmness in the wheat trade, and a gradual upward movement. There has been fair inquiry for both English and foreign. There has been a pretty fair arrival of cargoes the majority of which were ordered away, chiefly to the continent. Children on passage command better prices. At to day's market there was a small attendance. Wheat was quiet, with limited request, at Tuesday's prices. Flour was active and unchanged. Corn was in small demand, and slightly cheaper.

Enjoy Life.

What a truly beautiful world we live in! Nature gives us grandeur of mountains, glens and oceans, and thousands of means of enjoyment. We can desire no better when in perfect health; but how often do the majority of people feel like giving it up disheartened, discouraged and worn out with disease, when there is no occasion for this feeling, as every sufferer can easily obtain satisfactory proof, that *Green's August Flower*, will make them free from disease, as when born. Dyspepsia and Liver Complaint are the direct causes of seventy-five per cent. of such maladies as Biliousness, Indigestion, Sick Headache, Constipation, Nervous Prostration, Dizziness of the Head, Palpitation of the Heart, and other distressing symptoms. Three doses of *August Flower* will prove its wonderful effect. Sample bottles, 10 cents. Try it.

An End to Bone Scraping.

Edward Shepherd, of Harrisburg, Ill., says: "Having received so much benefit from Electric Bitters, I feel it my duty to let suffering humanity know it. I have had a running sore on my leg for eight years. My doctors told me I would have to have the bone scraped or leg amputated. I used, instead, three bottles of Electric Bitters and seven boxes Bucklen's Arnica Salve, and my leg is now sound and well." Electric Bitters are sold at fifty cents a bottle and Bucklen's Arnica Salve at 25c. per box by Z. C. M. I. Drug Store.
